IT'S FINALLY HERE (or just about!)

The long awaited new edition of NATIONAL BANK NOTES by Don Kelly is due to be released on Feb. 14th---if you collect nationals, this book has to be in your library! It contains detailed population reports based on a census of nearly 200,000 nationals--tells you how many notes have survived and what they're worth--along with maps of each state showing the location of all towns which had note-issuing national banks! Your cost on this essential book on nationals is \$100 per copy postpaid via insured bookrate parcel post mail!

All notes are kept in bank vaults as we are a mail order company only with no retail offices! We are members of the Professional Currency Dealers Association (PCDA) as well as the Society of Paper Money Collectors (SPMC). Your 100% total satisfaction is guaranteed on all transactions--backed by our firms' 47 year track record of ethical dealing and integrity in the numismatic industry!!

AUCTION REPRESENTATION

We will be attending the upcoming Lyn Knight auction sale held in conjunction with the Chicago Paper money show in mid February---if you are not already on Lyn Knights mailing list, we suggest you contact him for a copy of his upcoming auction catalog which we have heard will contain approx. 1000 nationals! Our firm would be glad to represent you at this (and future) paper money auctions---our standard fee for this service is 10% of the knockdown price (this is in addition to the 10% buyer's charge added to the knockdown price by the major auction companies such as Knight, CAA, Stack's etc). Clients unknown to our firm will be required to post a deposit with us of approx. 50% of their bids in advance of the sale. If you have any questions concerning this process or want to discuss particular notes in the sale, bidding limits, etc. feel free to contact us via phone, fax or letter---but please do so well in advance of the sale.

WE NEED TO BUY

LARGE SIZE FEDERAL TYPE NOTES AND NATIONAL BANK NOTES

Our firm is always looking to purchase high quality large size type notes and scarce national bank notes from any state---especially the "hot" states such as Alaska, Alabama, Arkansas, California, Florida, Hawaii, Minnesota, Nevada, New Mexico, etc. etc--we will buy single notes or entire collections----if you are thinking about the sale of your holdings--singles, duplicates or the entire collection---please contact us as we are in need of "fresh" material for our ads and price lists!

GOLD COINS OF THE WORLD

Dear Clients: Welcome to our Spring price list! Hundreds of new purchases including selections from the Norweb Collection, scarce modern issues, "raw" and "slabbed" older numismatic material, etc--we hope you find some items of interest for your collection! As a refresher--we handle third-party graded certified "slabs" from NGC, PCGS and ANACS (these pcs. are so listed in our descriptions)--and the FR. & KM numbers in our descriptions refer to the two main reference works on world gold (Friedberg and Krause-Mishler)! WANT LIST SERVICE

If you are looking for anything in particular in world gold--please send us your complete wantlist and we will keep it on file for you and will try and give you "first shot" at any of our new purchases that match your list! Many of the coins we purchase thru coin shows, auctions and estates never make it to our price lists as our wantlist clients are offered the coins directly! If you have specific coins in the world gold area we specialize in (1500 AD to date) please send us your wantlist!

TERMS OF SALE AND COMPANY POLICY

1. All coins sold by our firm are guaranteed genuine.
2. All orders delivered to a Florida address must add the 6% Florida sales tax.
3. All orders shipped to a USA mailing address (including Canada, Puerto Rico and U.S. military addresses such as APO, etc) are sent via registered mail--fully insured and postpaid.
4. All international shipments are sent via airmail registered mail--postpaid--but without insurance and are sent at the buyer's risk! We strongly suggest that you arrange to have the shipment covered by insurance from your end!
5. All domestic orders should be paid in the form of a bank cashier's check or money order for immediate shipment. We do accept personal/business checks but allow bank clearance time (approx. ten banking days from day of deposit) prior to shipment.
6. All international orders should be paid in the form of a bank draft drawn on a USA bank and payable to us in the form of USA dollars.
7. We do not accept any form of credit card as payment!
8. All coins are sold with a full 30 day return period (that's 30 days after you receive the shipment!) You can return any coin purchased from us for a full refund--no questions asked and no explanation needed! All coins are considered sold and the sale is final after this 30 day period expires.
9. Any coins being returned to us must be sent to us via registered mail and declared for their full value.
10. We are a mail-order only company with no retail facilities---all coins are kept in bank vaults!

LAY-A-WAY PLAN

We offer collectors the standard 60 day lay-a-way plan---this requires approx. 1/3 down at time of invoice--1/3 due in 30 days from invoice date and final 1/3 due 60 days from invoice date--all lay-a-way plans must be paid in full within 60 days of invoice date! No interest or handling charges of any kind will be added to the cost of the coin---we offer this service as a courtesy to our clients to help them add to their collections--but we are not a bank! Lay-a-way orders not paid in full within the 60 day time period will be considered in default and your deposit payment or payments will be forfeited. You can put as many coins as you wish on your lay-a-way order as long as you pay 1/3 of the total in each payment over the 60 day time period!

WANTED TO BUY

Please keep us in mind if you have high quality and scarce gold coins of the world (including United States gold coins!) you wish to sell---when it is time to dispose of your collection please contact our firm as we are always in the market to purchase "fresh" material for our ads and price lists and client wantlists! We are paying competitive market prices for scarce and nice quality US and world gold and would welcome a chance to purchase your gold holdings whenever that time comes--please contact us for additional information in regards to our estate purchases, etc. It may not be the happiest of thoughts, but all of us have to think in advance as to how we want things handled in the future!

Summer 1997

GOLD COINS OF THE WORLD

Dear Clients: Our new Summer price list contains a wide selection of "slabbed" (independent third party graded) new purchases (we handle "slabs" from the PCGS, NGC and ANACS grading services) along with some interesting low mintage modern issues, additional selections from the Norweb Collection sale, etc. We hope you find some interesting selections for your collection! As a refresher, the FR & KM numbers in our lists refer to the world gold reference books by Friedberg and Krause-Mishler! If you have any questions concerning anything in this price list--or want to discuss any aspect of numismatic USA and World gold, please feel free to contact us via phone, fax or letter! By the way, we have added a new member to the firm: Michael D. Sottini (Bob's step-son and a recent graduate of the University of Central Florida business school) will be joining us starting this summer. He will be putting our inventory on computer and will be in charge of inventory control, accounting, price list mailings and coin shipments, etc. It looks like we are finally going to join the 20th Century--just in time for the 21st!

LAY-A-WAY PLAN

We offer collectors the standard 60 day lay-a-way plan--this requires approx. 1/3 down at time of invoice--with another 1/3 due in 30 days from invoice date and the final 1/3 in 60 days from invoice date---all lay-a-way invoices must be paid in full within 60 days of invoice date! No interest or handling charges! We offer this service as a courtesy to serious collectors who want to add specimens to their collection but need a bit of time to pay for them! But we are not a bank! If you can't adhere to these terms or don't think you can pay it off within 60 days--don't ask for the lay-a-way plan as all lay-a-way invoices not paid in full within the 60 day time period will be considered in default and your payments made up until that 60 day time limit will be forfeited. We don't want to be in that position so if you start a lay-a-way invoice, we expect you to complete it as this service is offered strictly as a courtesy to our clients!

TERMS OF SALE AND COMPANY POLICY

1. All coins sold by our firm are guaranteed genuine.
2. All Florida residents must add the 6% state sales tax to their orders.
3. All orders are shipped via registered mail--fully insured and postpaid.
4. All international orders will be shipped via airmail registered mail or insured mail--depending on the circumstances---again, fully insured and postpaid.
5. All domestic orders should be paid in the form of a bank cashier's check or money order for immediate shipment. We do accept personal and business checks as payment but please allow the bank clearance time (approx. ten banking days from day of deposit) prior to our making the shipment to you--unless prior credit has been established with us.
6. All international orders must be paid in the form of a bank draft drawn on a USA bank and payable to us in USA dollars.
7. Sorry but we do not accept any credit cards as payment!
8. All coins sold by our firm have a full 30 day return period (that's 30 days after you receive the shipment!). You can return any coin purchased from us for a full refund--with no questions asked and no explanation needed from you! However, all coins will be considered sold and the sale final after this 30 day time period!
9. All coins being returned to us must be sent to us via registered mail thru the Post Office and declared for their full value for insurance purposes.
10. We are a mail-order only company with no retail offices--all coins are kept in bank vaults!

GOOD NEWS FOR OUR INTERNATIONAL CLIENTS

We now have commercial insurance coverage on all of our international shipments! We normally ship our international shipments via airmail registered mail thru the US Post Office and this is offered to you at no charge! However, we can also ship fully insured to you via Federal Express, Express Mail, etc. for an added charge! If this service is of interest to you, let us know and we will quote current costs (depending on weight of the shipment, insured value, etc). Of course, those of you living in parts of the world where having gold coins shipped to you is not the safest thing to do, can still have their shipments sent to a mailing address anywhere in the USA or we can arrange to hold the shipment for your account pending future shipment instructions to an alternate address, etc. for your account.

GOOD NEWS FOR OUR USA CLIENTS

We now have commercial insurance coverage for Federal Express and Express Mail--if you want your orders shipped via one of these two services, please add \$15 to your order for this additional cost service.

WANTED TO BUY

Please contact us for additional information concerning our purchase of coin estates, etc. It's not the happiest of thoughts, but we all have to plan for the future! FALL 1997

GOLD COINS OF THE WORLD

Dear Clients: Welcome to our new Fall price list--it contains our new purchases from around the world including the recently completed ANA convention in New York! Most of these are "slabbed" (third party authenticated/graded by either PCGS, NGC or ANACS) with the exception of early hammered gold, "shipwreck" gold cobs, etc. as PCGS and NGC do not grade them as yet--as well as more modern gold sets and singles many of which are offered in original cases and certificates, etc. If you have any questions concerning gold coins of the world, please don't hesitate to contact us via phone, fax or letter and we will be glad to help to the best of our ability! Please take a few minutes to examine our latest price list and we hope you find a few nice additions for your collection!

99. CUBA 1915 5 Pesos "Marti" FR. 4 (KM19) PROOF Extremely Rare KM does not list the specific mintage but certainly only 100 or fewer proofs were produced at the Philadelphia mint (as all Cuban gold of the 1915-1916 period were struck in Philly!) This one is absolutely GEM! NGC PF65-----\$5,500.00
100. CUBA 1915 20 Pesos "Marti" FR. 1 (KM21) This is the only date available to collectors as the 1916 is a Proof only issue (10 struck--cats. \$45000 in FR and \$24500 in KM!) We have three grades available of the 1915 date:

111. CZECHOSLOVAKIA 1934 complete 4 pc. gold "Reopening of the Kremnica Mines" set---this is a very unusual set in as much as the coins are housed in the original presentation box which describes the set as "ESSAI" specimens--but although the coins are all GEM quality--the only thing different about the coins themselves is that the position of the hallmark and fineness stamp which appears on the reverse of each coin is reversed from their position on "regular" issue specimens! The coins are not struck with "Essai" in the fields, etc--but the coins have a definite "presentation striking" look to them! Extremely Rare--only 68 complete regular issue sets were struck and I have no idea how many of the "presentation" sets were issued--this set was purchased from a major Swiss bank numismatic dept. at least a decade ago and would be a highlight of any Czech gold collection! The set consists of the 1-2-5-10 Ducats FR. 13 thru 16 (KM#M14 thru M17) All four GEM BU-----\$14,500.00

However, after the 30 day period expires, all sales will be considered final!
9. All coins being returned to us must be sent to us via registered mail thru the Post Office and declared for their full value at your end for insurance purposes.
10. We are a mail-order only company with no retail offices! ALL COINS ARE KEPT IN BANK VAULTS!

LAY-A-WAY PLAN

We offer collectors the standard 60 day (no interest or handling charges) lay-a-way plan. This requires 1/3 down at time of invoice---1/3 due in 30 days and final 1/3 due in 60 days. All lay-a-way invoices must be paid in full within 60 days of invoice date. We offer this lay-a-way plan as a courtesy to our collector clients who want to add coins to their collections but who need a bit of time to pay for them--but we are not a bank! If you cannot adhere to these terms or don't think you can pay off the invoice within 60 days--please don't ask us to use the lay-a-way plan! All lay-a-way invoices not paid in full within the 60 day time period will be considered in default and your payments made up until that 60 day period will be forfeited. We do not want to be put in that position so if you start a lay-a-way invoice, we expect you to complete it in full and on time! You are welcome to put one coin or as many coins as you want on lay-a-way---as long as each of your payments amounts to 1/3 of your total invoice!

GOOD NEWS FOR OUR DOMESTIC CLIENTS

We now have commercial insurance coverage for Federal Express and Express Mail shipments! If you would prefer your order to be sent via one of these "overnight" services, please add \$15 to your payment for this special additional cost service!

GOOD NEWS FOR OUR INTERNATIONAL CLIENTS

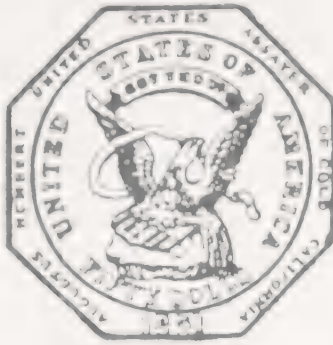

We now have commercial insurance coverage on all of our international shipments! We normally ship our international shipments via airmail registered mail thru the US Post Office and this is offered to you at no charge! However if you prefer to have your orders shipped via Federal Express, Express Mail, etc---we are now covered by our insurance policy for these shipments as well! However, these services are offered to you at an added charge (depending on the weight, value, destination, etc)--if these services are of interest to you--let us know and we will quote current costs for these added cost delivery services. Of course, those of you living in parts of the world where having gold coins shipped to you is not the smartest or safest thing to do, can still have their shipments sent to a mailing address anywhere in the USA or we can arrange to hold the shipment for your account pending future shipment instructions to an alternate address, etc. for your account.

WANTED TO BUY

We are always in the market to purchase high quality and rare gold coins of the world as well as scarce United States gold! When it comes time to dispose of your collection please contact our firm as we always need "fresh" inventory for our ads appearing in the national coin publications, our regularly issued price lists and for specific client wantlists! Please also contact us for additional information concerning our purchase of coin estates. It may not be the happiest of thoughts, but we all have to plan for the future--including the disposition of our coin collections, etc. We welcome the chance to purchase your gold coin holdings whenever that time comes--now or in the future! In the meantime, we thank you for making STEINBERG'S your source for numismatic gold coins of the world!

GOLD COINS OF THE WORLD

Dear Clients: This list contains all new purchases which we hope you will find of interest for your collection! Most of these are "slabbed" (third party authenticated, graded and encapsulated) by either PCGS or NGC! "FR" and "KM" numbers in this list refer to the Friedberg "Gold Coins of the World" and Krause-Mishler "World Gold Coins" reference books! As most items in our lists are one of a kind in our inventory, we suggest a phone call to reserve the coins you need!

TERMS OF SALE AND COMPANY POLICY

1. All coins sold by our firm are guaranteed genuine.
2. All Florida residents must add the 6% state sales tax to their orders.
3. All shipments sent within the United States, Canada and Puerto Rico are sent via postpaid registered mail--fully insured. Federal Express and Express Mail service is available for shipments within the USA and Puerto Rico for an additional fee of \$15 per shipment---if you would like this service, please add \$15 to your payment.
4. All international shipments are sent via postpaid registered airmail--fully insured. Federal Express and Express Mail service for international shipments is also available at an added charge---depending on the destination, weight and value of the shipment. If you would like this added cost service, let me know and we can quote you current charges based on your order.
5. All domestic orders should be paid in the form of a bank cashier's check or money order for immediate shipment. We do accept personal and business checks but allow the bank clearance time prior to shipment taking place (approx. ten banking days from day of deposit of your check)
6. All international orders must be paid in the form of a bank draft drawn on a USA bank and payable to us in USA dollars. Please fax us if you need a pro-forma invoice.
7. Sorry--we do not accept any form of credit card for payment!
8. All coins sold by our firm have a full 30 day return period (that's 30 days after you receive the shipment!). You can return any coin purchased from us for a full refund during that period--no questions asked and no explanation needed! However after the 30 day period expires, all sales will be considered final.
9. If you are sending any coins back to us for a refund--they must be shipped to us via registered mail thru the U.S. Post Office and declared for their full value!
10. We are a mail-order only company with no retail offices! ALL COINS ARE KEPT IN BANK VAULTS!

LAY-A-WAY PLAN

We offer collectors the standard 60 day (no interest or handling charges) lay-a-way plan. This requires 1/3 down at time of invoice, 1/3 in 30 days and final 1/3 in 60 days. All lay-a-way invoices must be paid in full within 60 days of invoice date. We offer this lay-a-way plan as a courtesy to our collector clients who want to add coins to their collections but who need a bit of time to pay for them--but we are not a bank! If you cannot adhere to these terms or don't think you can pay off the invoice within the 60 day time period, please don't ask us to use the lay-a-way plan! All lay-a-way invoices not paid in full within the 60 day time period will be considered in default and your payments made up until that 60 day period will be forfeited. We do not want to be put in that position so if you start a lay-a-way invoice, we expect you to complete it in full and on time! You are welcome to put one coin or as many coins as you want on lay-a-way--as long as each of your payments amounts to 1/3 of your total invoice!
